Re: FOIA-2024-01121
24-cv-957 (D.D.C.)
VRB:JMB:JMS

Dear Mike Howell:

This is a ninth response to your Freedom of Information Act (FOIA) request dated and received in this Office on February 12, 2024, seeking copies of images collected as part of the investigation of Special Counsel Robert Hur.

We previously provided you with eight interim responses to your request, most recently on April 15, 2026. We have now completed the processing of an additional seventy-three images responsive to your request. At this time, I have determined that this material is appropriate for release with certain information withheld on behalf of the Federal Bureau of Investigation and the United States Secret Service pursuant to Exemptions 6, 7(C), and 7(E) of the FOIA, 5 U.S.C. § 552(b)(6), (b)(7)(C), and (b)(7)(E), and copies are enclosed. Exemption 6 pertains to information the release of which would constitute a clearly unwarranted invasion of personal privacy. Exemption 7(C) pertains to records or information compiled for law enforcement purposes, the release of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. Exemption 7(E) pertains to records or information compiled for law enforcement purposes, the release of which would disclose certain techniques and procedures or guidelines for law enforcement investigations or prosecutions. Please be advised that we have considered the foreseeable harm standard when reviewing records and applying FOIA exemptions.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c) (2018). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this response, please contact Alexander Severance at the Department's Civil Division, Federal Programs Branch at (202) 598-3123.

Sincerely,

Jonathan Breyan
