On July 31, 2026, RNC Election Integrity Staff sent the City of Ann Arbor, MI, a FOIA request asking for three categories of documents, the first of which was for individuals removed from the voter rolls and the third of which was for individuals who requested to be removed from the voter rolls.

There are three pages following this one that, when read together, show two noncitizens in Ann Arbor who self-identified as noncitizens while requesting removal from the voter roll.

The next page shows two individuals who were removed from the voter roll due to lack of citizenship. The next two pages show those same people requested this removal.

Dear NC State Board Of Elections,

I hope this letter finds you well. I am writing to address an issue that has come to my attention regarding my voter registration. This revelation came to light during my citizenship process, and I am concerned that it may have implications for my application.

I kindly request your assistance in canceling my voter registration to ensure the smooth progress of my citizenship application. It would be greatly appreciated if you could provide me with proof of the cancellation, as I need to submit this documentation to the United States Citizenship and Immigration Services (USCIS).

Thank you for understanding the importance of this matter and for taking the time to address my concerns. Your prompt attention to this issue would be highly appreciated.

Dear [redacted]:

This letter is to confirm that on February 6, 2023, at your request, your name was removed from the voter rolls of Dauphin County as you are not a United States citizen. For confirmation, I am enclosing a print out of that cancellation for your records, as well as a copy of the cancellation request form you filed.

Your voter registration record was created on in early 1999, as an initial registration form that you completed and signed on February 18, 1999 (see copy attached). Additionally, applications submitted to this office from the Pennsylvania Department of Transportation, were received on: September 4, 2007; August 8, 2015; and July 30, 2019. Copies of each of these Department of Transportation Initial Applications (DOTIAs) are enclosed. During this period, PennDOT was inadvertently sending voter registration applications to counties without verifying citizenship. This situation, according to the Department of State, has been corrected.

I've also enclosed a copy showing that we have record of sending you several correspondences, including: a Five-Year notice in which you indicated you wanted to remain on the voting rolls despite not having voted in more than five years since your initial registration in 1999; various voter registration cards in 2007, 2015, 2016, and 2019; and a mail-in ballot for the November 2020 presidential election, which you voted and returned to our office.

Also, according to our records, you voted in the General Elections held: in 2008, 2012, 2016 and 2020. A copy of your vote history is also enclosed for your records.

While I am able to cancel your registration, I am unable to remove your vote history.

Dear [redacted]:

On October 10, 2018, we processed your request to be removed from the voter rolls as you are not a United States citizen. For confirmation, I am enclosing a print out of that cancellation for your records, as well as your cancellation request form.

Your voter registration record was created on December 5, 2007, by way of an application submitted to the Dauphin County Bureau of Registration and Elections through SURE via the Pennsylvania Department of Transportation. On April 30, 2009, we processed a change of address application for you based on an application you submitted over the counter at our office. On March 14, 2014, we process a change of address application for you that was submitted to our office via PennDOT. Copies of all of these documents are enclosed for your review.

According to our records, you cast votes at the following elections: April 22, 2008; November 4, 2008; November 6, 2012; November 4, 2014; April 26, 2016; November 8, 2016; May 16, 2017; November 7, 2017; and May 15, 2018. These may create an issue for you should you decide to pursue naturalization.

Should you have any questions regarding this matter, please feel free to contact me at 717-780-6360.

Sincerely,

Gerald D. Feaser, Jr.
